President's Message

Dear friends,

I write this note with much gratitude and fulfilment. This year, Utkarsh achieved many milestones that we targeted. We took another city under wings to feed stray dogs. The stray dog feeding

drive in Shirdi, Ahmednagar District, has become a boon to the voiceless, along with providing a relief to the residents, as stray menace is now reduced.

Our vision of taking Utkarsh Rabies Mukti Mission (RMM) to every district in Maharashtra inched closer to fruition with the launch of RMM in Nanded in August 2022. We remain grateful to the wide media response we received for the launch. The anti-rabies vaccination drives are held regularly in Nanded in collaboration with Nanded-Waghala Municipal Corporation. Another highlight about RMM is the launch of Utkarsh-RMM website – www.utkarsh-rabiesmuktimission.org in March 2022. The website contains detailed info about RMM campaigns, the offices, helplines and more.

Utkarsh Animal Hospital in Mulund, Mumbai, welcomed esteemed guests from INFAH in 2022. INFAH or the Indian Federation of Animal Health Companies is a great platform uniting companies and non-profit organisations working towards animal health care. They promote ethical practices and create awareness about effective treatments, disease control and more to improve the health and productivity of animals. INFAH has assured expert guidance to Utkarsh to ensure best animal welfare practices.

Utkarsh has always strived to make the voice of the voiceless heard. When we set up Utkarsh Legal Cell Against Animal Abuse, we knew there will be hurdles in the path. Animal laws have to follow stricter implementation, as in most cases, the culprits manage to escape punishment. We keep filing cases

against animal abusers, but rarely see perpetrators brought to book. Amidst disappointments, we also see many silver linings in the form of resolved human-animal conflict cases and bringing dated practices to the attention of the authorities. An example is the revoking of tender issued by Chandrapur Collector to catch stray dogs and pigs and releasing them outside city premises, after Utkarsh Legal Cell intervened. How is that possible? Strays are territorial animals. Even the law strictly prohibits relocation of strays.

Utkarsh added another feather to its cap with a humble recognition from the International Association of Lions Club. They presented me with their prestigious award for our contribution to social welfare. I thank the Lions Club for the recognition. Such moments give me strength and confidence to move ahead with our mission and vision.

We also turned year older in September 2022, as Utkarsh is now 12! Looking back at these 12 years, I feel we have indeed come a long way but there are miles ahead to travel.

As every year, Utkarsh celebrated Raksha Bandhan with a difference. This year, we initiated a campaign to tie radium collar rakhis, as every year, but as a thank you to our stray siblings for protecting us all through the year against intruders. Strays bark when they spot strangers or dubious occurrences. They are, our voluntary guards and we should also do our bit to serve and protect them. Utkarsh achieved the feat of tying 6000 radium collar rakhis to strays in 6 cities, including Mumbai, Ambernath, Shirdi, Nanded, Latur, and Satara.

Utkarsh is also making waves in other movements. The Environmental Protection Campaign has conducted the successful "Say No to Single-Use Plastics" drives in Maharashtra, Tamil Nadu and Punjab. We have distributed 1,50,000 cloth bags and 10,000+ steel water bottles so far.

We have also launched a new campaign this year to fix leaky taps and save water. The "Utkarsh Save Water" Campaign was launched on 22 March 2023 on the occasion of World Water Day.

The campaign will help save our precious water resource. In Mumbai, around 650 million litres of water are wasted every day from leaky taps. It is nearly equal to Mumbai's daily shortfall of 550 million litres. Around 3.4 trillion litres of water go waste in India every year. We hope our campaign will benefit thousands of households and offices.

Women's Education and Empowerment Movement is also creating an impact with women's livelihood initiatives and skill training. More than 1000 women are now working with Utkarsh making cloth bags, radium collars, pet costumes and accessories, and more, in Maharashtra, Tamil Nadu, and Punjab. Our annual Menstrual Hygiene Week Celebrations helped over 500 beneficiaries this year as the different awareness campaigns made a difference to the thinking and understanding of menstruation, in men and women.

The mission and vision of Utkarsh are about encompassing everyone and taking the campaigns to every animal and citizen in India. Our next target is to establish Utkarsh Animal Welfare Movement in 5 more districts of Maharashtra, taking the count to 10. Utkarsh Rabies Mukti Mission is actively functioning in 6 districts as of now, and we are planning to take it to another 6 districts. To

achieve the Utkarsh Mission and to mobilise people for a better world, an urgent increase in manpower and volunteers is crucial. That's a target we hope to achieve gradually.

Utkarsh is also looking forward to further collaboration with the Directorate of Environment and Climate Change, Punjab for "Say No to Single-Use Plastics" Campaigns in the state. We hope to reach every village and city in Punjab to ensure Punjab is plastic-free in the next five years.

We are also happy to share with you that in the next financial year, Utkarsh Global Foundation will be setting up its branch in Uttar Pradesh. Our first foray will be with the "Say No to Single-Use Plastics" Campaign in the state.

To conclude, I wish to thank our dear supporters and donors who have extended full cooperation to our initiatives. The struggle to ensure funding to social welfare projects will always exist, but we are grateful to those who have enthusiastically joined us and continue to help us move forward.

Let me also take a moment to thank my dear team spread in three states who are ensuring successful implantation of Utkarsh causes and making a difference in thousands of lives – humans and animals!

Thank you!

Utkarsh Global Foundation
is a 12-year-old non-profit with branches in three states,
Maharashtra, Tamil Nadu, and Punjab.

VISION & MISSION

Utkarsh Global Foundation's vision is to respect the values of society and to be the primary support and platform for civil society by providing different services and running programmes to promote the welfare of society.

Utkarsh Global Foundation is one of the leading non-governmental organisations in India committed to addressing social issues by engaging people in community development. Its mission is to generate awareness among the masses by providing the best possible services with a view to make the world a better place for every living organism and human being.

Ensuring a safer and kinder world for every living being

Our President receives Lions Club Award

The International Association of Lions Clubs - District 324L, Chennai, felicitated Adv. D. R. Londhe, President and Founder, Utkarsh Global Foundation, with an award for "meritorious and dedicated work in shaping the future of the people." The event was held in Chennai on 15 May 2022.

Visitors at Utkarsh

Utkarsh welcomes INFAH to Utkarsh Animal Hospital, Mumbai On 27 April 2022, INFAH members, Dr. Brajesh Singh (Zoetis India Limited) and Mr. Raja Chugh (Virbac Animal Health India Pvt. Ltd.) visited Utkarsh Animal Hospital in Mulund. INFAH or the Indian Federation of Animal Health Companies works towards animal health care, promotes ethical practices, and aims to enhance animal health industry's value and contribution to the society. They are doing incredible work in the field of animal husbandry and veterinary care. INFAH will provide their invaluable guidance and support to Utkarsh as a part of their CSR.

STUDENTS' VISIT

On September 24, the students from Vivekanand Education Society's Institute of Management, Chembur, Mumbai, visited Utkarsh Animal Hospital Mumbai, as a part of their institute's CSR activity. They learnt about the working of an animal hospital and about the animal welfare movement of Utkarsh. Om Foundation, an NGO from Mulund, facilitated the visit.

Launch of *Feeding Drive* in Shirdi, Ahmednagar District, Maharashtra

On 8 June 2022, Utkarsh Global Foundation (Animal Welfare Movement) launched daily feeding drive in Shirdi. Around 500 dogs were fed. Shri Sambhaji Gopal Patil Ji (Assistant Police Inspector, Shirdi) was the chief guest. Mr. Somraj Bhivasen Kavale Patil, Bharatiya Janata District Secretary and Rahata Taluka President Vanjari Samaj, were also present.

Campaigns of the Year #MyPromise

A Pot of Water This Summer

#MyPromise - A Pot of Water This Summer! Utkarsh annual campaign to ensure drinking water to animals and birds continued all through April and May months. We placed 600 pots in 6 cities – Mulund, Ambernath, Shirdi, Latur, Satara, and Nanded!

UTKARSH *Sanjivani*

Free 7-in-1 Vaccination Drive in Mumbai and Thane

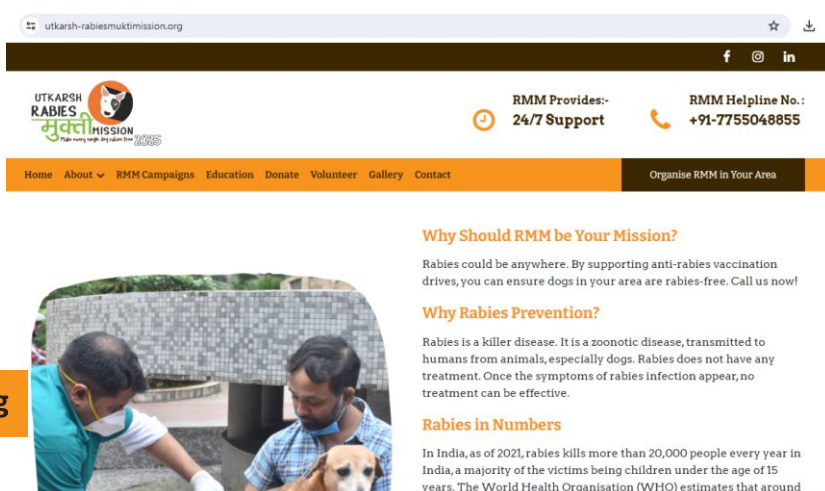

Utkarsh organised free vaccination drives for strays and pets in Mumbai and Thane from 1 November to 10 November 2022. About 171+ dogs were vaccinated. The Miraculous 7-in-1 Vaccine for Dogs (Pets & Strays) protects against 7 fatal diseases - Canine Distemper, Hepatitis, Bordetella, Parainfluenza, Parovirus, Corona Viral Enteritis, and Leptospirosis!

RMM Website Launched

The website of Utkarsh-Rabies Mukti Mission 2025 was launched on 11 March 2023. It contains information on rabies, RMM drives, Utkarsh-RMM centres, and more!

UTKARSH CELEBRATES

Veterinary doctors and para-vets are the backbone of Utkarsh Animal Welfare Movement. Their support and dedication help us meet our vision and mission. On April 30, 2022, Utkarsh celebrated the World Veterinary Day in a grand manner in all Utkarsh animal hospitals in Mumbai, Ambernath, Shirdi, Latur, Nanded, and Satara. The veterinary doctors and para-vets were felicitated with appreciation certificates and gifts.

World Veterinary Day

Mumbai, Satara, Latur, Nanded, Shirdi, and in Mohali, Punjab

UTKARSH LEGAL CELL AGAINST ANIMAL ABUSE IMPACT!

Chandrapur Collector revoked illegal tender!

Warora Municipal Council revoked the tender and agreed to conduct ABC (Animal Birth Control) Programme, thanks to the intervention of Utkarsh Legal Cell.

Warora Municipal Council had issued a tender (dated 4 April 2022) to catch stray dogs and pigs and release them outside city and district premises. It is illegal to do so. Animal welfare laws have clearly stated that placing animals outside their original territory amounts to cruelty to animals. Utkarsh Legal Cell Against Animal Abuse took up the matter and wrote to the CMO, Maharashtra about the matter.

We also met them to appraise them of the tender. The Collector of Chandrapur took action and the tender was revoked. The Municipal Council is all set to implement ABC, as it is the only way to control and manage stray population.

Meeting with animal lovers about Utkarsh ABC

Adv. D. R. Londhe, President, Utkarsh Global Foundation, met animal lovers in Borivali on 28 April 2022 to appraise them about Utkarsh ABC (Animal Birth Control) programme. While the AWBI or the Animal Welfare Board of India has strict guidelines about the dos and don'ts of ABC, Utkarsh goes a step beyond through its unique SOP (Standard Operating Procedure). The four-step procedures in Utkarsh ABC includes:

- Videography of the catching and releasing process of the dogs to note and ensure the exact location
- 7-in-1 vaccination to the dogs at the time of admission to prevent viral infections
- Complete blood examination of the dogs before the surgery
- Tying radium collars on the dogs upon their release. The radium collars reflect light and save strays from accidents at night

#StrayTogether in Mulund

Utkarsh conducted #StrayTogether at Sai Aasha Deep Society Cooperative Housing Society on S. L. Road in Mulund (West). Around 6 dogs were sterilised and vaccinated in the drive conducted on 13 June 2022. #StrayTogether also helped resolve human-animal conflict in the society. A mother dog had given birth to six puppies. The society members were scared about the increasing dog population. The animal feeders in the locality were providing food to the dogs but had not vaccinated and sterilised the mother dog. Utkarsh sterilised the mother dog and vaccinated her, as a part of Utkarsh ABC, and the puppies against rabies and administered them the 7-in-1 vaccine. Utkarsh also initiated feeding drive for the dogs so they would remain calm and not bark at night. Utkarsh also got all the 6 puppies adopted. The society members were pleased and impressed with the Utkarsh initiative and sponsored a day's feeding drive. Mr. Chandresh Bhanushali, Chairman, Sai Aasha Deep Society, Mulund (W) “#StrayTogether helped our housing society find balance between humans and animals, thus helping in preventing human-animal conflict. What an excellent initiative by Utkarsh!”

Assaulted dog rescued from Bhandup Bhakti, a student, and animal lover, called Utkarsh to report about a man who assaulted his dog daily. She also recorded a video of the man hitting the poor dog. We reached the location in Bhandup (West). His caretaker, a mentally challenged person, drunk, assaulted the poor dog every day and left him alone, starving, in a dark room. We rescued him and admitted to Utkarsh Animal Hospital in Mulund. He was happy and hale within a few days. He is doing well and is currently staying in our hospital, loved by everyone.

The rescue story was featured in Sakal.

Training @ Utkarsh

Staff Training at Utkarsh Animal Hospital, Nanded

Adv. D. R. Londhe, President, Utkarsh, conducted a training session for the staff of the hospital on 5 May 2022. The topics included new techniques for cleanliness and hygiene at the hospital, effective ways to conduct ABC, advanced ways of treatment, proper ways to maintain records, and action plan for Rabies Mukti Mission – 2025 in Nanded. The session also discussed suggestions and plans for the upcoming daily feeding drive in Nanded.

Training for animal catchers at Utkarsh Animal Hospital, Mumbai

A detailed training session was held at Utkarsh Animal Hospital, Mumbai on 10 March 2023 to make the staff aware about the right ways to catch stray dogs. A demonstration on using the catching net was also held. The training session also threw light on the safety measures to be followed. Stray dogs must be caught and admitted to Utkarsh Animal Hospitals for sterilisation surgeries, treatment, and vaccinations. Catching dogs using prescribed procedures and correct techniques prevent injuries to the dog and the catcher.

Waste Management Workshop

A workshop on the ways and importance of proper segregation of biomedical waste was held for the staff at Utkarsh Animal Hospital, Mumbai on 11 March 2023. The session, conducted by Mrs. Harsha Darpe (Operations Department), elaborated on the types of biomedical waste, the different coloured bins to be used and on the ways to handle the waste.

It is *Happy Birthday* to Utkarsh Animal Hospital, Mumbai!

Utkarsh Animal Hospital in Mumbai completed six years this November. From helping a few animals to be a relief to more than 5000 animals every month, Utkarsh Animal Hospital, located at Minerva Industrial Estate in Asha Nagar on P. K. Road, Mulund (W), is creating history every day. From free medical care to ambulance rescues, from rabies prevention campaigns to adoption drives, from daily feeding drives to now 6 full-fledged animal hospitals in 6 locations in Maharashtra, we have come a long way!

Celebration of International Cat Day

August 8 is celebrated as International Cat Day to appreciate and honour cats, one of the oldest pets of humans. Utkarsh celebrated the day with a unique contest. We all know cats are funny and such videos of cats often go viral on the internet. So, we asked pet parents to catch the funny moments of their cats and send to us. We received an overwhelming response. As all the cats were cute and funny, the selection of three winners was difficult, but we managed.

1st Prize Winner

Snow, Pet Parent
Ms. Azma Khan

2nd Prize Winner

Misa, Pet Parent
Ms. Siddhesha Gholap

3rd Prize Winner

Coco, Pet Parent
Ms. Trisha Singh

On

8 September

Utkarsh turned 12!

RAKSHA BANDHAN 2022 CELEBRATED WITH A UNIQUE THEME

Utkarsh celebrates Raksha Bandhan with pawed siblings in a unique way every year. Instead of the conventional rakhis, we tie radium collars to strays as they protect them from accidents at night. Raksha Bandhan 2022 had another special theme – Thanking our stray siblings who protect us daily. Stray dogs keep a vigil day and night. They notice strangers, and suspicious movements and bark, thus sending a message to the residents. By tying radium collar rakhis, we thanked the strays for being a true sibling and asked them to keep protecting us. We received an enthusiastic response from animal lovers. Around 6000 radium collars were tied to strays in Mumbai, Thane, Shirdi, Latur, Nanded, and Satara.

Healthcare Movement Aiming for a safer and happier society

RMM – 2025 Launched in Nanded in a Mega Event
Rabies Mukti Mission (RMM) – 2025 was launched in Nanded on 20 August 2022 in collaboration with Nanded-Waghala City Municipal Corporation. Honourable Mayor, Mrs. Jayashree Niles Pawde, the Chief Guest, inaugurated the campaign in the presence of Hon. Dr. Punjabrao Khansole, Deputy Municipal Commissioner, Hon. Shri Abdul Gaffar Abdul Satta, Deputy Mayor, and other eminent officials. Around 78 dogs were vaccinated against rabies at the event.

पाळीव श्वानासाठी मोफत रेबीज लसीकरण शिबिर

नांदेड - नांदेड वाघाळा शहर महानगरपालिका नांदेड व उत्कर्ष ग्लोबल फाऊंडेशन यांच्या संयुक्त विद्यमाने मिशन रेबीजमुक्ती मोहिमेंतर्गत पाळीव श्वानासाठी मोफत रेबीज प्रतिबंधात्मक लसीकरण शिबिराचे आयोजन केले होते. नांदेड महापालिकेच्या वतीने शहरातील सर्व पाळीव श्वान प्रेमी नागरिकांनी मोठ्या प्रमाणात नोंदणी केली. या संघर्षा लाप अनेक गरजू पाळीव श्वान धारकांनी घेतला व आपल्या श्वानास रेबीज प्रतिबंधात्मक लसीकरण करून घेतले. यावेळी भाजपा अनु.जाती मोर्चा भाजपा चे जिल्हाध्यक्ष साहेबराव गायकवाड यांनीही आपले पाळीव श्वान काढला यास आनून तपासणी करून लस घेतली. दि. २० ऑगस्ट सकाळी ८ ते २ पर्यंत महानगरपालिका पशुवैद्यकीय दवाखाना.अशोक नगर येथे संपन्न झाले. यावेळी महानगरपालिकेचे पशुवैद्यकीय अधिकारी डॉ रमेशओदीन, स्टॅडियम व्यवस्थापक रमेश चोरे, सहा. आयुक्त वेग, डॉ सचिन कांबळे, अॅड दादू लोढे,अध्यक्ष उत्कर्ष लोढे ग्लोबल फाऊंडेशन डॉ. सचिन कांबळे यांनी सर्व अधिकारी यांच्या उपस्थित सर्व पाळीव श्वानांची तपासणी करून लस दिली.

नांदेड-वाघाळा मनपातर्फे रेबीज लसीकरण शिबिर

नांदेड । प्रतिनिधी:-
नांदेड वाघाळा शहर महानगरपालिका नांदेड व उत्कर्ष ग्लोबल फाऊंडेशन यांच्या संयुक्त विद्यमाने मिशन रेबीजमुक्ती मोहिमेंतर्गत पाळीव श्वानासाठी मोफत रेबीज प्रतिबंधात्मक लसीकरण शिबिराचा शुभारंभ सकाळी ९.०० वाजता महापौर सौ.जयश्री निलेश पावडे यांच्या शुभहस्ते व उपमहापौर अ.गफर अ.सत्तार, उपायुक्त (प्रशासन तथा आरोग्य) डॉ पंजाबराव खानसोळे यांच्या प्रमुख उपस्थितीत पार पडला. यावेळी मा.महापौर सौ.जयश्री निलेश पावडे यांनी महापालिकेच्या वतीने पशुवैद्यकीय दवाखान्यात प्राण्यांसाठी चांगल्या वैद्यकीय सुविधा उपलब्ध करून देण्यात आल्या आहेत. शहरातील नागरिकांनी याचा लाभ घ्यावा असे आवाहन केले. महापालिकेच्या या शिबिराला नागरिकांनी चांगला प्रतिसाद दिला. या शिबिरात जवळपास ५० पाळीव श्वानांना मोफत रेबीज प्रतिबंधात्मक लसीकरण करण्यात आले. यावेळी अंधारात चमकणारा रिफ्लेक्टिव्ह बेल्ट लसिकराणासाठी आलेल्या प्राण्यांच्या गळ्यात बांधण्यात आला.या बेल्ट मुळे रात्रीच्या वेळी अपघात मुळे होणारी प्राण्यांचे मृत्यू टाळता येतील.यावेळी मनपाचे पशू शल्य चिकित्सक डॉ रमेशओदीन, सहाय्यक आयुक्त रमेश चवरे, उत्कर्ष ग्लोबल फाऊंडेशन चे दगडू लोढे, प्रवीण जाधव यांच्या सह नागरिक उपस्थित होते.

1006+ dogs vaccinated in different locations, in collaboration with the respective municipal corporations in Mumbai, Thane, Ahmednagar, Latur, Satara, Nanded and Navi Mumbai

Special moments

Special moments at Utkarsh

Queen, 5 months, was admitted to Utkarsh Animal Hospital in Shirdi with severe injuries on one of her hind legs. Though her wounds healed, Queen had to relearn to walk. Our Nanded team made an innovative walker for baby Queen for her walking practice!

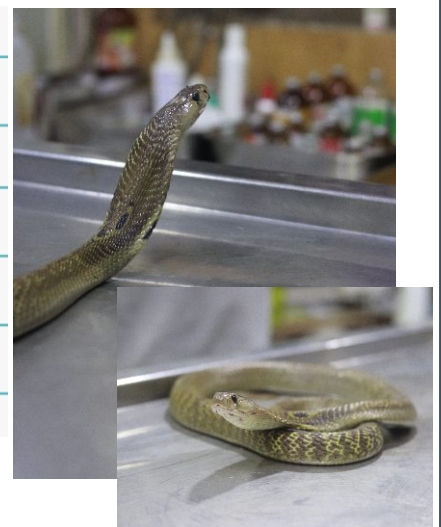

Unique Cases at Utkarsh

Rani, a mare, treated at Nanded She was admitted to Utkarsh Animal Hospital in Nanded in a serious state. She was suffering from Impaction Colic or a case in which the intestine gets blocked. Rani also had acute pain and discomfort. She underwent treatment for a few days. Her stomach was cleaned as well. After a week-long treatment, Rani recovered and was released.

King Cobra treated at Utkarsh Animal Hospital, Mumbai

A cobra, rescued by Save Wild Life Organisation from Mithagar Road, Mulund (East), was admitted to Utkarsh Animal Hospital in Mumbai. It had a jaw injury. After treatment, the cobra was released as per vet's advice.

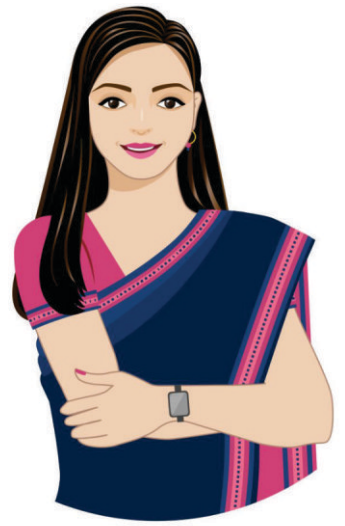

WOMEN'S EDUCATION AND EMPOWERMENT (WEE) MOVEMENT

Women's Education and Empowerment (WEE) Movement
Ensuring smiles through training and employment generation

2000+ beneficiaries every month

Through Women's Education & Empowerment (WEE) Movement, Utkarsh conducts skill training to women from underprivileged backgrounds and provides employment opportunities. WEE has set up Savitrimai Phule Women Empowerment Centres in Maharashtra and Tamil Nadu.

WEE also conducts awareness campaigns on menstrual health through "Let's Talk Periods!" workshops and Utkarsh-Nirali Scheme.

"Let's Talk Periods!" Workshops in Mumbai

100+ door-to-door campaigns conducted in Mumbai in 2022-2023

UTKARSH WEE MOVEMENT EXHIBITIONS

Utkarsh attended exhibitions at the “Kartavya - The NGO Mela” at Sasmira College in Worli and 'Soch 23', the Entrepreneurial Management Fest, organised at the campus of Mulund College of Commerce. Different products made by women, including, pet accessories, pet costumes, cloth and jute bags, and more, were exhibited at the events.

Women's Day Celebrations at Utkarsh

WEE, Mumbai, celebrated Women's Day with an informative and inspirational session on “Stress Management.” The session conducted by Ms. Shweta Kadam, eminent counsellor, provided tips and ways to achieve work and personal life balance, stress management and threw light on the effective ways to overcome anxiety and depression.

Utkarsh conducted an informative session on "Health & Hygiene" for the women staff at UKB Private Limited in Chennai. More than 250 employees participated in this programme. The session was conducted by Dr. Anjana.K (Cancer Centre, Chennai).

SAVITRIBAI PHULE WOMEN EMPOWERMENT CENTRE, TAMIL NADU

SAVITRIBAI PHULE WOMEN EMPOWERMENT CENTRE, WADA

The students of the Utkarsh Skill Development Class in Wada celebrated Women's Day in style. They wore their own creations, outfits designed and stitched by themselves, for the day.

Tribute to **SAVITRIBAI PHULE**

We paid tribute to Savitrimai Phule on her death anniversary on March 10, 2022, in Mumbai and Wada with floral tributes and remembering her glorious contribution to women's education and empowerment.

New Beautician Course Launched at Utkarsh!

Utkarsh, in collaboration, with the Ruhi Salon Academy, Mumbra, Thane, launched the 'Introductory Beautician Course,' imparting training in threading, bleach, clean-up, facials, waxing, manicure & pedicure, head massage, hair spa, haircut, hair colouring, hairstyles, makeup, grooming, and more! The course is a part of the skill development programme for women from Utkarsh Women Education & Empowerment Movement.

The first batch of 30 students received certificates on their successful completion of the course.

WEE Celebrates *12th* Formation Day!

WEE organised a career guidance seminar for women on the job opportunities in the fashion sector, conducted by Mrs. Supriya Ghadge, Faculty, Fashion Designing, Utkarsh. The class helped women get a peek into the immense career opportunities after a sewing and fashion designing course.

Gandhi Jayanti

Celebrations 2022

1000+ cloth bags distributed at the Sunday Fruits and Vegetables Market, Phase 8, Mohali

5000+ cloth bags distributed at Koyambedu Market in Chennai, along with a captivating street play by the NSS volunteers of Annai Veilankanni College, Chennai

DR. BABASAHEB AMBEDKAR EMPOWERMENT CENTRE

All around us, there are many who deserve a helping hand to lead a dignified life. They don't need our sympathy, but they do require support and encouragement to be constructive citizens of the country. It is to encourage discussion and to help bring into the forefront the neglected members of our society that we set up Dr. Babasaheb Ambedkar Empowerment Centre for Drugs De-addiction and Mental Illness Care (Counselling and Meditation). Located at Mulund in Mumbai, the Centre offers free treatment and rehabilitative programmes for affected persons. The Centre also provides regular counselling to those in need. We also conduct awareness drives to remove taboos regarding mental health and addiction. We also provide employment opportunities for those in need.

200+ Utkarsh- Nirali Sanitary Napkins distributed at the 'Utkarsh-Nirali Scheme' event at the Singha Devi Temple, Nayagaon in Punjab on 26 March 2023. The event also included an awareness talk on menstrual health for the audience comprising women from the neighbouring slum areas and village of Nayagaon. The event was sponsored SBL Specialty Coatings Private Limited and attended by Mr. Vikesh Kumar Singh, CSR Chief, SBL. Speakers at the event included Ms. Deepti Joshi, CSR Coordinator, SBL and Mrs. Santosh Verma, Sanitary Inspector, Nayagaon. Social Justice and Empowerment Movement Aiming for a just and equal world for everyone

UTKARSH-NIRALI SCHEME IN PUNJAB

ENVIRONMENTAL PROTECTION MOVEMENT

Engaging community for a cleaner and greener world

The 'Environmental Protection Movement' of Utkarsh aims to create a greener and cleaner world by encouraging people to lead eco-friendly lives.

NEW CAMPAIGN

On World Water Day, 22 March 2023, Utkarsh (Environmental Protection Movement) launched a new campaign "Utkarsh – Save Water" Campaign with the motto "Fix a Leak Today, Save Water for Tomorrow!" The campaign, to be implemented in three states, namely, Maharashtra, Punjab, and Tamil Nadu, will fix leaky taps in households and commercial spaces to help communities save water. Leaky taps waste precious water daily and we do not even seem to notice it. In Mumbai, around 650 million litres of water are wasted every day from leaky taps. It is nearly equal to Mumbai's daily shortfall of 550 million litres. Around 3.4 trillion litres of water go waste in India every year. Precious water can be saved with a simple step – repairing leaky and faulty taps.

CLIMATE WEEK ACTION OBSERVED IN TAMIL NADU

"Climate Action" Week celebrated from June 1 to June 5, 2022, as a part of the World Environment Day celebrations in Tamil Nadu, to spread awareness about environmental protection and climate change.
